RETIREMENT PLAN SERVICES AGREEMENT

This Retirement Plan Services Agreement ("Agreement") is entered into between Level Four Advisory Services, LLC ("LFAS"), a registered investment adviser under the Investment Advisers Act of 1940, as amended ("Advisers Act"), and _____ ("Plan Sponsor"), and _____ ("Client"), in its capacity as the plan administrator of the _____ (the "Plan")(collectively, the "Parties"), effective as of the Date of Client signature as noted on page 8 (the "Effective Date").

WHEREAS, Plan Sponsor maintains the Plan for the benefit of eligible employees,

WHEREAS, Plan Sponsor has delegated to Client the power and authority to manage the operation of the Plan, including the designation of investment alternatives under the terms of the Plan, and to enter into contractual arrangements with third parties to assist in the discharge of these and related duties,

WHEREAS, in connection with and in discharge of its duties with respect to the Plan, Client desires to engage LFAS for the purposes specifically set forth in this Agreement, and

NOW, THEREFORE, in consideration of the foregoing recitals, the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Appointment of Adviser

By executing this Agreement, Client retains LFAS to provide investment advisory and consulting services selected by the Client ("Services") pursuant to the terms and conditions described in this Agreement. LFAS has appointed the representative(s) of LFAS indicated below ("Adviser Representative") to act on behalf of LFAS in providing Services under this Agreement. LFAS may replace the Adviser Representative at any time, for any reason, and appoint a new representative to provide Services hereunder.

Client maintains the assets of the Plan with an independent, qualified custodian chosen by Client. LFAS will not have custody of any of the Plan's assets and LFAS may not make a withdrawal from the Plan without Client's authorization. The Plan is responsible for and will pay, or cause to be paid, the fees of the custodian related to the Plan including, but not limited to, any costs of safekeeping, brokerage and other execution costs, and custody fees. Except as otherwise provided herein, LFAS will not have authority to instruct the custodian to purchase, sell, redeem or exchange any security, cash or other investments for the Plan.

Services to be Provided

LFAS agrees to provide the Service(s) selected by Client on Addendum I.

If Client selects Discretionary Management Services, Client hereby grants LFAS discretionary authority to make all decisions, in its sole and absolute discretion, to buy, sell or hold securities, cash or other investments with respect to those Plan assets designated in Addendum I. LFAS shall not be required to consult with Client or obtain approval of Client prior to implementing such decisions. With respect to such Discretionary Management Services, Client also grants LFAS the authority to deliver instructions, on behalf of Client, to brokers and dealers and the qualified custodian(s) of the Plan to carry out LFAS's management of the designated Plan assets. Client authorizes LFAS to provide a copy of this Agreement to the custodian or any broker or dealer, through which transactions will be implemented on behalf of Client, as evidence of LFAS's authority under this Agreement.

In connection with services provided and as may be deemed suitable and appropriate, LFAS may engage a related entity, Level Four Capital Management, LLC ("LFCM"), a registered investment adviser under the Investment Advisers Act, to act as a sub-adviser under the terms and conditions of the Sub-Advisory Agreement executed between LFAS and LFCM. LFCM is compensated by LFAS for sub-advised asset management services provided to LFAS based upon either a percentage of the investment advisory fee (for asset allocation services) or a factor of the net value of assets of accounts (for equity portfolio or fixed income strategies).

Plan Information

In order to provide advisory Services under this Agreement, LFAS may request certain information from time to time regarding the Plan's financial situation, investment objectives and risk tolerance. Client agrees to cooperate with LFAS in promptly providing such information. Client will timely notify LFAS of any changes to such information or if Client wants to impose and/or modify any reasonable restrictions on the Plan's investments.

Disclosure Authorization

If Client is a committee, Client hereby authorizes LFAS to discuss and fully disclose any and all financial information of the Plan with any member of the Committee as well as any employee(s) of the Plan Sponsor designated on Addendum III.

Limitations on Services

LFAS has no responsibility to provide any Services related to the following types of assets or investment vehicles: brokerage windows or similar arrangements, self-directed brokerage accounts, employer securities; real estate (except for real estate mutual funds and publicly traded REITs); personal brokerage accounts or mutual fund windows; participant loans; non-publicly traded partnership interests; other non-publicly traded securities (other than collective trusts and similar vehicles); or other hard-to-value securities or assets. Except as otherwise specifically provided in this Agreement, LFAS will not prepare or review tax or information returns and will not be responsible for the Plan's compliance with applicable reporting and disclosure requirements. LFAS will not advise Client or act for Client in any legal proceedings, including bankruptcies or class actions involving Plan assets; however, in the event LFAS receives any notices of legal proceedings involving the Plan or Client or any proxies or other corporate actions involving the Plan, LFAS will promptly forward such information to Client. LFAS does not provide any tax or legal advice, is not responsible for valuing Plan assets and will not vote (or advise Client how to vote) proxies for any securities held by the Plan.

Service Fee

LFAS shall be entitled to payment of an annual fee the ("Fee") for the provision of Services during the term of this Agreement. The Fee has been determined based upon the complexity of the Plan, the amount of Plan assets, the actual Services requested, the representative providing the Services and where the Plan assets are held in custody. LFAS has also taken into consideration special situations or conflicts of interest where charging a Fee may be prohibited under applicable laws. LFAS believes that its annual fee is reasonable in relation to: (1) services provided under this Agreement; and (2) the fees charged by other investment advisors offering similar services/programs. However, LFAS's annual Service Fee may be higher or lower than that charged by other investment firms offering similar services and programs.

Unless otherwise indicated in Addendum II, the Service Fee relates to the period during which the Agreement is in effect, and is not charged with respect to a particular Service. Accordingly, there will be no reduction of the Fee during the annual billing cycle where Client does not request optional Services to be provided during the billing cycle. However, for annual periods during which this Agreement is not in effect for the entire period, the Fees will be prorated based on the number of days the Agreement is in effect during such period.

The Fee may be comprised of fixed fee, a percentage-based fee or both, depending upon the Services to be provided. Additional project-based fees may be negotiated as needed. All fees will be reflected on Addendum III to this Agreement, as may be amended from time to time.

Payments are due within thirty (30) days of the last day of the billing period (as selected on Addendum II). Upon request, LFAS will provide Client an invoice reflecting the Fees imposed for the applicable billing period. LFAS will provide Client a written notice of any change to the Fees at least ninety (90) days prior to the effective date of such change and this Agreement shall be deemed automatically amended to incorporate such change at the expiration of such period, unless Client objects in writing prior to the expiration of such 90-day period.

In addition to LFAS's fees, Client may incur certain charges imposed by third parties other than LFAS in connection with investments made through the Plan, including but not limited to, 12(b)-1 fees and surrender charges, variable annuity fees and surrender charges, as well as in connection with the administration of the Plan. Service fees charged by LFAS are separate and distinct from the fees and expenses charged by investment company securities that may be recommended to Client. A description of fees and expenses charged by investment companies are available in their respective prospectuses.

The Fees may be paid directly by Plan Sponsor or deducted from the Plan, as indicated on Addendum II. The Plan custodian or third-party administrator will send statements to the Plan showing all disbursements from the Plan, including, where applicable, the amount of the Fees paid to LFAS. It is the Client's responsibility to verify the calculation of the Fees.

LFAS does not reasonably expect to receive any other compensation, direct or indirect, for its Services under this Agreement. If LFAS receives any other compensation for such services, LFAS will (i) offset that compensation against its stated Fees, and (ii) will disclose the amount of such compensation, the services rendered for such compensation and the payer of such compensation to Client, to the extent required by applicable law.

LFAS is entitled to reimbursement of out of pocket expenses incurred in connection with providing the Services and communicating with Client, provided, however, any expense must be pre-approved in writing by Client.

Termination

Client or LFAS may terminate this Agreement immediately upon written notice to the other Party. Such termination will not, however, affect the rights, duties, liabilities or obligations of the Parties arising from transactions initiated prior to such termination, and such liabilities and obligations shall survive any termination of this Agreement. There is no penalty or termination fee for the termination of the Agreement. If the Agreement is terminated within five business days of executing the Agreement, the pro-rated fees for such period shall be waived. If the Agreement is terminated after the initial five business days, LFAS shall be entitled to the payment of Fees for services completed prior to termination of the Agreement. If LFAS' Fee was paid in advance, LFAS will promptly issue a pro-rated refund of the excess amount to the payer. Upon termination of this Agreement, LFAS will have no obligation to recommend or take any action with regard to the Plan.

Representations, Warranties, and Disclosures of Client

1. Client acknowledges that (i) LFAS does not act as, nor has LFAS agreed to assume the duties of, a trustee or plan administrator, and LFAS has no discretion or responsibility to interpret the Plan documents, to determine eligibility or participation under the Plan, or to take any other action with respect to the management, administration or any other aspect of the Plan, other than as specifically provided in this Agreement, (ii) Client is not relying on LFAS for any legal or tax advice, (iii) Client, or its authorized delegates or agents, will be responsible for complying with all reporting and disclosure requirements required under applicable law, (iv) Client has been advised by LFAS that investments fluctuate in value and the value of investments when sold may be greater or lesser than the original cost, and (v) past investment performance does not necessarily guarantee any level of future investment performance. Client should also read and carefully consider the specific risk factors included in LFAS's Form ADV Part 2.
2. Client recognizes that the value and usefulness of the Services will be dependent upon information that Client provides to LFAS, including financial information and investment objectives for the Plan. Client will supply LFAS with all information that LFAS may reasonably request in order to perform the Services hereunder. All information provided or to be provided to LFAS is and will be true, correct, and complete in all material respects. Client

acknowledges that LFAS is entitled to rely upon all information provided by Client to LFAS. LFAS will not be responsible for the verification of the information and documentation provided by Client. Client will notify LFAS in writing of any material change to such information. LFAS will not be responsible for any losses, costs or claims suffered or resulting from any delay or inability to provide Services, if such delay or inability is the result, directly or indirectly, of Client's failure to provide all necessary information, or any losses, costs or claims suffered or resulting from a change in information, if LFAS does not receive notice of such change prior to the implementation of a transaction.

3. Client and Plan Sponsor represent and warrant that (i) each has the power and authority to enter into this Agreement, and there are no authorizations, permits, certifications, licenses, filings, registrations, approvals or consents that must be obtained by it from any third party, including any governmental authority, in connection with this Agreement and (ii) the execution of this Agreement, the delivery of any instructions to LFAS, and the performance of the Services is within the scope of the investment authority authorized by the governing instruments for the Plan and/or applicable laws. Client agrees to furnish LFAS with copies of the governing documents of the Plan, upon request. If this Agreement is being signed on behalf of a corporation, partnership, trust or other business or legal entity, such Party represents that the person signing on behalf of such Party is authorized under applicable law and the governing documents to enter into this Agreement on such Party's behalf.
4. This Agreement has been duly authorized and executed and constitutes the legal, valid and binding Agreement of Client and Plan Sponsor, enforceable in accordance with its terms.
5. Except to the extent specifically provided under this Agreement or otherwise agreed to by LFAS in writing, Client and Plan Sponsor acknowledge, understand and represent that LFAS will not be acting, or accepting any responsibility or appointment, as a fiduciary under any state, local or other law to which the Plan is subject and which may impose fiduciary duties on persons who provide investment advice to the Plan ("Similar Laws"), and neither Client nor Plan Sponsor is relying on LFAS to ensure compliance with any such Similar Laws.
6. Client understands that a cash balance/defined benefit plan is designed for the long term and expects to make the projected annual contributions for a minimum of 5 years unless there are material changes in Client's income or business environment. By definition, all assets in a cash balance or defined benefit plan must be invested as a single, pooled account; no individual participant direction is permitted. If the plan requires that interest be credited to notional accounts of participants at a particular rate, without regard to actual investment performance, the investment policy of the plan is typically weighted toward fixed income, as opposed to equity. The credited interest rate to notional accounts is referred to as the accumulated interest rate (AIR). It bears a close relationship to the annualized yield of the 30-year U.S. Treasury bond. Since the objective of the plan is to maintain fully funded status and preserve tax deductible contribution amounts LFAS will typically utilize an Income with Capital Preservation or Income with Moderate Growth investment objective for such plans unless Client specifies otherwise in writing.

Confidentiality

LFAS acknowledges that certain information, records, files, or documents relating to Plan Sponsor's employees ("Employee Information") may be disclosed or delivered to LFAS, during the course of performance of this Agreement, and LFAS has certain requirements to maintain the privacy and confidentiality of Employee Information, including but not limited to, requirements under the Gramm-Leach-Bliley Act of 1999, as it may be amended from time to time and the regulations promulgated thereunder (the "GLB Act"). LFAS will not use or disclose, either directly or indirectly, to any person, firm, or corporation any Employee Information, other than in the ordinary course of carrying out the purposes of this Agreement or as permitted under applicable law, including use under an exception to the GLB Act.

Notwithstanding any of the foregoing, in the event LFAS is required by law, regulation, or court order to disclose any Employee Information, LFAS will provide Plan Sponsor with prompt notice to allow Plan Sponsor a reasonable opportunity to obtain a protective order. LFAS agrees to implement and maintain appropriate measures designed to: (i) ensure the security and confidentiality of Employee Information; (ii) protect against any anticipated threats or hazards to the security

or integrity of Employee Information; and (iii) protect against unauthorized access to or use of Employee Information that could result in substantial harm to any of these employees. This provision will survive termination of this Agreement.

 - d. If LFAS makes an unintentional error or omission in disclosing the information required under DOL Regulation Section 2550.408b-2(c)(1)(iv) or (vi), LFAS will disclose to Client the correct information as soon as practicable, but no later than thirty (30) days from the date on which LFAS learns of such error or omission.

3. Bonding.
 - a. If required with respect to the Plan, Plan Sponsor shall acquire and maintain the bond required for fiduciaries as defined by ERISA Section 412.

Risk

Client recognizes that as with any investment program, there will be risk associated with the investment of the Plan's assets. LFAS cannot guarantee the future performance of the Plan's assets, promise any specific level of performance, or promise that LFAS's recommendations will be successful.

LFAS is not obligated to buy, sell or recommend for or on behalf of the Plan any security or other investment that LFAS may buy, sell or recommend for any other clients, for LFAS's accounts or for the accounts of persons related to LFAS.

If LFAS obtains material, non-public information about a security or its issuer that LFAS may not lawfully use or disclose, LFAS will have no obligation to disclose the information to Client or use it for Client's benefit.
